- Latest Rehab Equipment including Smart Car for Transfer Training
- Model ADL Suite
- Coordination of Post-Discharge Care
- 24/7 Admissions Direct from ER

On Staff Pulmonologist

On Staff Cardiologist

ACLS Certified Nurses

## Our Specialized Cardiopulmonary Program,

under the direction of a board certified pulmonologist and cardiologist, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and/or physical limitations.

## Every day at Coral Harbor is a positive experience!

From the occasional cookout in our beautiful courtyard, live entertainment and holiday celebrations . . . to regularly scheduled trips to the boardwalk and other area attractions – we do our best to meet the diverse cultural needs of our residents.
