Specialized

CARDIOPULMONARY CARE

PATIENT-CENTERED CARE & SPECIALIZED EXPERTISE

Comprehensive CARDIOPULMONARY CARE

Our physician led program, under the direction of both a cardiologist and pulmonologist, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and physical limitations.

We tailor our program for individuals with heart disease and pulmonary disease, with diagnoses such as: CHF, COPD, post heart and lung transplants, emphysema, acute myocardial infarctions and acute respiratory failure.

OUR GOAL is to provide the medical expertise and personal support to help residents get well, be well and stay well.

Our **CARDIOPULMONARY** PROGRAM Features:

- Team Consults by our Board Certified Cardiologists and Pulmonologists
- 7 Days Per Week Therapy Services as prescribed
- 24/7 Access to Laboratory and Radiology Services
- Tracheostomy Care and Management
- EKGs and Echocardiograms On-Site
- Wide Range of Oxygen Therapies
- Remote Telemetry
- Cardiac Inotropic Drips
- Nebulizer Therapies
- Pacemaker Assessment and Monitoring
- ZOLL LifeVest
- IV Lasix and Solumedrol
- Comprehensive Cardiac and Pulmonary Education/Training for Patients and Family Members
- Case Management and Discharge Planning
- Coordination of Home Care Services including CARE NAVIGATION™ Program
- 24/7 Admissions Direct from the ER

Our signature **REHABBING CARE™** infuses every aspect of the Coral Harbor environment.

Our intent is that you enjoy an all-embracing rejuvenating experience that starts from the moment you enter our doors.

SHORT-TERM REHAB Delivering Positive Outcomes

Our strong hospital partnerships ensure a smooth transition for those in need of post acute and surgical care. Under the guidance of our expert therapists, patients rapidly regain their mobility and achieve independence as they prepare for their return home.
